

## NAPF President Message

Dear Member Federations of the NAPF,

It has been a very busy year for the NAPF on the world stage. The athletes from the following member federation participated in IPF World Championships this year. The athletes from the NAPF is the second largest amongst the regions, behind Europe, and the results from our athletes were truly awesome to see. We send our sincerest congratulations and look forward to seeing greater participation next year.

On behalf of the NAPF Executive Committee,

Dr. Hugo Velasquez  
President, North American Powerlifting Federation  
IPF Executive Committee Board Member for North America
